Noah's Wish

Saving Animals in Disasters

NOAH'S WISH ANIMAL DISASTER SERVICE: An Emergency Management Resource

IN AN EMERGENCY:

1-916-939-9468

Our Mission

The singular mission of Noah's Wish is to save animals during disasters with our rescue and recovery services and to mitigate the impact of disasters on animals through our education outreach programs.

Our Vision

An increasing number of animals will be saved as Noah's Wish expands its education, networking and disaster response services across the United States and Canada. This will be accomplished by:

- *Developing collaborative working relationships with emergency response agencies and animal welfare organizations*
- *Educating and preparing individuals, communities and organizations to mitigate the impact of disasters on animals*
- *Recruiting, training and maintaining a committed team of volunteers and staff*
- *Continuing to provide the highest standard of disaster response services possible*

Covington, Louisiana 2008 Hurricane Gustav

Why Partner with Noah's Wish?

- *Leaders in managing animals during disasters. Partnering with Noah's Wish will ensure animals are provided the highest standard of care possible. We are experts at sheltering animals during emergency situations*
- *Available 24 hours a day, 7 days a week. There is no maximum time Noah's Wish will remain mobilized. We base every response on the needs of the community and the animals*
- *Noah's Wish utilizes the Incident Command System, allowing us to work efficiently and effectively within established protocols. On September 30th, 2008 the Noah's Wish board of directors unanimously adopted ICS as its system of preparing for and responding to disaster incidents. Our volunteers and staff are all trained in the fundamentals of ICS*

Oklahoma Tornado 2004

Memorandum of Understanding—Working Together

Slidell, Louisiana 2005

The People

Over 1,400 strong and growing!

Missouri 2009

Highly skilled and trained Coordinators located in eight regions throughout the United States and Canada form the backbone of the response team

Slidell, Louisiana 2005

Trained and experienced volunteer base of 1,400 throughout the United States and Canada ready to respond

British Columbia 2009

- Two day In-Field training program for volunteers that simulates a disaster environment and prepares volunteers for the emotional and physical challenges of working to save animals in areas of destruction and chaos

The Assets

Partnering with Noah's Will help ensure that animals are being given the highest standard of care possible during disasters

- Strategically located "First Response Trailers" in the United States and Canada. These trailers contain supplies and equipment to establish and emergency animal shelter and maintain it for 3 days.
- Pre-staged equipment and supplies in the heart of hurricane country. These supplies are already in place and can be utilized immediately
- Warehouse located in the Illinois available to either deploy or restock shelters

British Columbia

Co-2009

The Experience

Noah's Wish has responded to well over 30 individual disasters since its inception in 2002. These included both national and selected international mobilizations. Noah's Wish has experience in the following types of disasters:

- Floods
- Hurricanes
- Tornadoes
- Tsunamis
- Wildland Fires

Our trained volunteers collectively have experience more than 100 disasters
